MOOD:  embarrassed
MUSIC: Melissa Etheridge - This War Is Over

via  [leahbobet](https://leahbobet.livejournal.com/) (<https://leahbobet.livejournal.com/>), a meme before dying:

Go to your music player of choice and put it on shuffle. Say the following questions aloud, and press play. Use the song title as the answer to the question..

1. What does next year have in store for me?

They Might Be Giants - They Might Be Giants (<https://www.livejournal.com/away?to=http%3A/www.lyricsdepot.com/they-might-be-giants/they-might-be-giants.html>).

*To make the merry-go-round go faster, so that everybody needs to hang on...
tighter just to keep from being thrown to the wolves!
Tabloid footprints in your hair. Tabloid footprints everywhere.*

...somehow, I do not find that reassuring.

2. What does your love life look like?

The Beatles - Rocky Raccoon (<https://www.livejournal.com/away?to=http%3A/www.sing365.com/music/lyric.nsf/Rocky-Raccoon-lyrics-The-Beatles/96E6311ECBFA360048256BC2002114C2>)

One day his woman ran off with another guy. Hit young Rocky in the eye--

Um. I plead the fifth?

3. What do I say when life gets hard?

Unbelievable Truth - Live Without This (https://www.livejournal.com/away?to=http%3A/www.lyricsmania.com/lyrics/unbelievable_truth_the_lyrics_37249/other_lyrics_68081/live_without_this_lyrics_662528.html)

*Maybe all the songs have already been sold to keep us alive
And now it's just fulfilling only us, pedestrian and contrived
I don't need this
I could live without this
I could live without this*

*Listen to the mass indifference
Listen to the monkeys typing*

Okay, that was nearly creepy.

4. What do I think when I get up in the morning?

Leonard Cohen - Take this Longing (<https://www.livejournal.com/away?to=http%3A/www.seeklyrics.com/lyrics/Leonard-Cohen/Take-This-Longing.html>)

*Oh take this longing from my tongue,
Whatever useless things these hands have done.
Let me see your beauty broken down*

Like you would do for one you love.

...

....

5. What song will I dance to at my wedding?

The Beatles - I'm Only Sleeping (<https://www.livejournal.com/away?to=http%3A//www.lyrics007.com/The%2520Beatles%2520Lyrics/I%2527m%2520Only%2520Sleeping%2520Lyrics.html>).

Please don't spoil my day

I'm miles away

And after all

I'm only sleeping

...you know, I was tempted to skip that one. And yet...

I laugh. *g*

6. What do you want as a career?

Emmylou Harris - Blackhawk (<https://www.livejournal.com/away?to=http%3A//www.cowboylyrics.com/tabs/harris-emmylou/blackhawk-5862.html>).

Well I work the double shift

In a bookstore on St. Clair

While he pushed the burning ingots

In Dofasco stinking air

Where the truth bites and stings

7. Your favorite saying?

Kate Bush - Experiment IV (<https://www.livejournal.com/away?to=http%3A//www.sing365.com/music/lyric.nsf/Experiment-IV-lyrics-Kate-Bush/6808C6A42F05F82B48256EB6000AFE9D>).

~~*We were working secretly*~~

~~*For the military.*~~

~~*Our experiment in sound,*~~

~~*Was nearly ready to begin.*~~

~~*We only know in theory*~~

~~*What we are doing:*~~

I think the synchronicity broke down there, and that one was meant to go with a question that wasn't in the original meme, which was obviously written by a high school student. That's what I *have* as a career. So I am amending the meme.

7. What do you actually do for a living?

Kate Bush - Experiment IV (<https://www.livejournal.com/away?to=http%3A//www.sing365.com/music/lyric.nsf/Experiment-IV-lyrics-Kate-Bush/6808C6A42F05F82B48256EB6000AFE9D>).

We were working secretly

For the military.

Our experiment in sound,

Was nearly ready to begin.

We only know in theory

What we are doing:

8. Your favorite saying?

David Bowie & Massive Attack - Nature Boy (<https://www.livejournal.com/away?to=http%3A//www.stlyrics.com/lyrics/moulinrouge/natureboy.htm>).

There was a boy

A very strange

Enchanted boy

*They say he wandered
Very far, very far
Over land and sea
A little shy and sad of eye
But very wise was he*

*And then one day
One magic day
He passed my way
While we spoke
Of many things
Fools and kings
This he said to me
"The greatest thing
You'll ever learn
Is just to love and
Be loved in return"*

9. Favorite place?

Barenaked Ladies - Bank Job (<https://www.livejournal.com/away?to=http%3A//www.sing365.com/music/lyric.nsf/Bank-Job-lyrics-Barenaked-Ladies/C812B696632E054D482571E70009E30D>)

*It was an upset, in two minutes flat
We were back on the freeway, foot to the mat
I can't understand it we had it down pat
It's very upsetting could we leave it at that*

*We all had positions, we each had a role
We'd over-rehearsed it; we had full control
They can't teach you acting it's there in your soul
It's the same with a bank job and each thing we stole*

I SWEAR I DID NOT HACK THAT ONE.

Here's a Youtube of Ed Robertson playing the song in his bathroom, because it's just that good. (<https://www.livejournal.com/away?to=http%3A//www.youtube.com/watch%3Fv%3D4oKkdqTjk2A>)

10. What do you think of your parents?

Yo-Yo Ma - Bach, Cello Suite #1 in G

That's nicely cryptic. I think I like it.

11. Where would you go on a first date?

Gordon Lightfoot - Blackberry Wine (https://www.livejournal.com/away?to=http%3A//www.corfid.com/gl/Albums/Shadows/Blackberry_Wine.htm)

*There's a south wind risin' and the moon shines on my window sill
I've got a feeling I might walk on over the hill
I'm bent but not broken, all I need is some rest
And a bottle of your very best blackberry wine*

Yeah, I like Gordon Lightfoot. Wanna make something of it?

12. Drug of choice?

R.E.M. - Drive (https://www.livejournal.com/away?to=http%3A//www.lyricsfreak.com/r/rem/drive_20115193.html)

*Smack, crack, bushwhacked.
Tie another one to the racks, baby.*

Um, not so much. How about this bit?

*Maybe I ride. Maybe you walk.
Maybe I drive to get off, baby.*

Or climb? ;-)

13. Describe yourself:

Delerium - Wisdom (<https://www.livejournal.com/away?to=http%3A//www.seeklyrics.com/lyrics/Delerium/Wisdom.html>)

no comment

14. What is the thing I like doing most?

Martin Carthy and Family - Hog-Eye Man (<https://www.livejournal.com/away?to=http%3A//www.lyricszoo.com/various-artists/hog-eye-man-martin-carthy-family/>)
*Oh, Sally's in the garden punching duff
Cheeks of her arse go chuff, chuff, chuff*

Now that one was about as random as you might hope from something like this.

15. What is my state of mind like at the moment?

Jimmy Buffett - Lovely Cruise (<https://www.livejournal.com/away?to=http%3A//www.sing365.com/music/Lyric.nsf/Lovely-Cruise-lyrics-Jimmy-Buffett/765F18463F26096A482569A10012809B>)
*Ohhh, these moments we're left with
May you always remember
These moments are shared by few
And those harbor lights, lord, they're coming into view
We'll bid our farewells much too soon
So drink it up, this one's for you
Honey, it's been a lovely cruise*

I can has summer nao?

16. How will I die?

The Kingston Trio - Zombie Jamboree
(<https://www.livejournal.com/away?to=http%3A//www.sing365.com/music/lyric.nsf/Zombie-Jamboree-lyrics-Kingston-Trio/9AFB4D23A4F7D15548256BF000217604>). *Well, believe me folks, I had to run. A husband of a zombie ain't no fun!*

YAAAAAAAAAAAAAY!!!!!!!!!!!!!!!!!!!!!! Zombie death, MADE OF AWESOME!

And beats the stuffing out of liver failure, baby.

Some Youtube for that one too. (<https://www.livejournal.com/away?to=http%3A//www.youtube.com/watch%3Fv%3DH69HODLIDMo>)

17. What's your deepest, darkest secret?

The Who - Love Reign O'er Me (<https://www.livejournal.com/away?to=http%3A//www.guntheranderson.com/v/data/lovereig.htm>)
*I can't sleep and I lay and I think
The night is hot and black as ink
Ooh, O God, I need a drink - of cool, cool rain*

...my darkest secret is that I like The Who? I would have thought maybe a My Chemical Romance track or something... oh, crap, did I just say that out loud?

18. What am I doing right now?

You mean, besides eating my pre-lunch and wasting taxpayer dollars?

Save Ferris - Angry Situation (https://www.livejournal.com/away?to=http%3A//www.lyricsfreak.com/s/save%2Bferris/angry%2Bsituation_20122163.html)

Did you think that this would make everything right?

Did you know the price you pay is your own life?

Baaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa.

Thank God for the Kingston Trio. And that's all I'm saying about that.

[locked] Dream Journal

All right, unconscious mind. We're coming to an accommodation. If the dreams are you cleaning house, putting stuff we don't

Elvis doesn't live here anymore.

Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't handle it well. So yeah, I'm sorry. And I'm

Poppets. Puppets. Poppet puppets.
Scary.
